Information	DE
Wir gratulieren zum Kauf des Loewe floor stand flex.	
Premiumqualität Made in Germany.	
Der floor stand flex ist die ideale Ergänzung zu Ihrem Loewe bild i. Sie ermöglicht eine Drehung des Gerätes und stellt gleichzeitig eine optimale Kabelführung sicher.	
Achten Sie auf einen stabilen Untergrund. Vermeiden Sie direkte Sonneneinstrahlung.	
Jegliche Modifikation der Aufstelllösung kann zu Instabilität und Garantieverlust führen.	

Information	EN
Congratulations on your Loewe's purchase floor stand flex.	
Made in Germany premium quality.	
The floor stand flex will complement your Loewe's TV beautifully. Use this stand to rotate your TV; this stand also ensures optimal cable routing.	
Make sure the surface you set it on is stable. Avoid direct sunlight	
Any modification to the installation solution can cause instability and may void the warranty.	

Veiligheidsvoorschriften	NL
Gefeliciteerd met de aankoop van uw Loewe-tv bild i en de bijbehorende tafelstandaard i.	
Eersteklas kwaliteit, gemaakt in Duitsland.	
De floor stand flex is een prachtige aanvulling op uw Loewe-tv. Gebruik deze standaard om uw tv te draaien. De standaard zorgt ook voor een optimale kabelgeleiding.	
Zorg ervoor dat het oppervlak waar u de standaard op zet stabiel is. Vermijd direct zonlicht.	
Elke wijziging aan deze installatie-oplossing kan instabiliteit veroorzaken en kan de garantie ongeldig maken.	

Information	FR

Sicherheitshinweise	DE
Beachten Sie die Informationen der Anleitung. Lassen Sie im Umgang mit Werkzeug die nötige Vorsicht walten.	
Stellen Sie Ihre Gerätekombination so auf, dass sie, z.B. für spielende Kinder keine Gefährdung darstellt und auch nicht beschädigt werden kann.	
Adapter sind nur für zugelassene Tragekonstruktionen oder senkrechte Wände zu verwenden. Des weiteren haben die Sicherheitshinweise für unsere TV-Geräte auch hier Gültigkeit.	

Instructions de sécurité	FR
Veuillez observer les informations du mode d'emploi. Soyez prudent lors de l'utilisation d'outils.	
Positionnez votre combinaison d'appareils de telle sorte qu'elle ne représente p. ex. aucun danger pour des enfants en train de jouer et qu'elle ne puisse pas être renversée.	
L'adaptateur est à utiliser uniquement pour les structures portantes autorisées et les parois verticales. Par ailleurs, les instructions de sécurité relatives à nos téléviseurs sont également valables ici.	

Safety instructions	EN
Observe the information in the instructions. Handle tools with the necessary care and attention.	
Install your combination of equipment in such a way that it presents no danger to playing children for example and also cannot be damaged.	
Adaptors may only be used for permissible support structures or vertical walls. The safety notes for our TV sets are also applicable here.	

Indicazioni di sicurezza	IT
Fare attenzione alle informazioni del manuale d'uso. Utilizzare gli attrezzi con la dovuta cautela.	
Installare la combinazione di apparecchi in modo tale che non possa essere danneggiata e che non rappresenti un pericolo, ad esempio per i bambini che giocano.	
Gli adattatori si possono utilizzare soltanto sulle strutture portanti consentite oppure su pareti verticali. Le indicazioni di sicurezza relative ai nostri apparecchi TV valgono anche in questo caso.	

Veiligheidsvoorschriften	NL
Houd rekening met de informatie in de gebruiksaanwijzing. Wees voorzichtig bij de omgang met werktuigen.	
Plaats de toestelcombinatie zo, dat ze geen gevaar vormt voor bijvoorbeeld spelende kinderen en dat ze ook niet kan worden beschadigd.	
Adapters mogen enkel worden gebruikt voor toegelaten draagconstructies of loodrechte wanden. Verder zijn de veiligheidsvoorschriften voor onze tv-toestellen ook hier van toepassing.	

Advertencias de seguridad	ES
Tenga en cuenta las indicaciones del manual. Utilice las herramientas con precaución.	
Instale la combinación de aparatos de manera que no presente riesgo de lesiones, p. ej., para niños que estén jugando cerca, y de manera que no pueda sufrir daños.	
Los adaptadores únicamente pueden utilizarse para construcciones portantes autorizadas o paredes verticales. En este caso también son aplicables las advertencias de seguridad de nuestros televisores.
