ACCESSORIES FOR SONOS

The next generation of Sonos accessories

We are a UK Based, dedicated and passionate team, obsessed with creating and manufacturing the world's best accessories for Sonos.

We have over 100 years of combined audio experience and were instrumental in creating the first accessories for Sonos in 2012, establishing the category worldwide.

We understand the market and have a focussed range of products for Commercial, Residential and Business applications.

We invest heavily in Research and Development to ensure we meet the changing needs of consumers and installers, and have accessories for all Sonos products, both older models and new.

The Mountson Collection represents 'affordable luxury' that sets a new benchmark for premium Sonos accessories.
